Subject: "Recovery of my Jamaican Passport"

Honorable Judge;

I am requesting you to recover my Jamaican passport which is last time seen by me in the courthouse in March 2004. I have completed my sentence in Lexington, Ky on 27th of July 2005. Now I am ready to be departed from Immigration Detention center to Jamaica which is so far not done because Immigration don't have my passport. They have already requested New York for passport but so far No response. Last time my passport was taken when I was interviewed by FBI, DEA Prosecutor & my attorney 10 days before my sentence, 3/2004. So please assist me in recovering my passport and send to Immigration Office.
